**NMMS Annual Foray**

August 21-24, 2014

Plaza Hotel in Las Vegas, NM

Due to space limitations at the Plaza Hotel, we are limiting this year's Foray to 50 participants. At this time, we're only a half dozen sign-ups away from reaching that quota, so if you plan to attend the Foray and have not signed up, please get your registration in as soon as possible.

The Foray fee of \$110 per person covers Foray supplies and meals, but not lodging. Participants must contact the Plaza and reserve their own rooms. Contact and pricing information is included on the Foray webpage and Registration Form:

<http://NewMexicoMyco.net/Foray> .

Foray Attendees wanting to cut costs might to take advantage of a couple of Topics available on the NMMS Member's Forum: one for Carpooling and another for those considering Sharing a Room at the Plaza Hotel. To access these resources, log in to the Members' Forum: <http://NewMexicoMyco.org/forum/37> . Links to the Forum Topics are also available from the bottom of the Foray webpage: <http://NewMexicoMyco.net/Foray> .

**Larry Evans visiting NM**

Larry Evans, Montana Myco-madman and star of the popular video "Know Your Mushrooms!", informs us that he will be in Santa Fe to meet with his friend, NMMS member Lolly Goodwin, for an opening of their artwork on July 24th. We're not sure whether there will be time to get out in the field with Larry as we did during his visit last year. This and future information will be available for perusal and discussion on the NMMS Members Forum: <http://NewMexicoMyco.org/content/field-trips-2014> .

Lolly also informed us that on Thurs, June 19th (at 3 AM) on the National Geographic channel, the pilot for "Foraging Wars" will air, featuring none other than Larry Evans. It appears that would be tomorrow morning, so night-owls and early-risers might want to keep an eye open for this bit of educational entertainment.

**NAMA Foray(s)**

This year's Annual NAMA Foray near Seattle reached it 250 person quota as of June 1<sup>st</sup>. There is a waiting list for the event, but I suspect there are a lot of names already on that list.

The word on the street is that next year's NAMA Foray will be in Wisconsin, the first week in September. Check back in several months for further details:
